

About the Golden Sneaker Contest

What is the “Golden Sneaker Contest?”

SF Safe Routes to School is reviving the “Golden Sneaker Contest” at this year’s Walk & Roll to School Week! This citywide contest encourages students and their families to take active and shared trips to school all week, from **Oct. 5-9, 2026**. The class with the highest percentage of students walking, rolling, biking, scooting, taking transit or the yellow school bus will win the Golden Sneaker Trophy, featuring a shoe from the Golden State Warriors.

How do I participate?

1. Teachers: **Before the contest begins**, go to the SF Safe Routes to School website at <https://www.SFSafeRoutes.org/walk/> and print out the week-long tracking chart.
2. Set aside 5 minutes at the beginning of **each day** during attendance to ask students how they got to school and tally responses daily on the mode chart. Keep tracking all trips on the same chart!
3. **Make it fun!** Encourage your students to participate and compete against other classes at your school!
4. At the end of the week, **submit your results** by:
 - a. Filling out the online response form using the QR code below
 - b. OR taking a picture of your complete form, with school, class size and teacher name, and emailing it to SafeRoutes@SFMTA.com
5. Get your responses in by **Monday, Oct. 12 at 5:00pm** to be counted!

Submission Form Instructions:

Use your mobile device camera to scan or [click here](#) to be re-directed to the submission form!
